## SKILLS

- Swift
- SwiftUI
- Xcode
- MacOS
- iOS
- Git, Github
- Figma
- Javascript
- Cybersecurity
- Microsoft Azure

## LANGUAGES

- Polish (native)
- English (fluent)
- German (beginner)

I am a Junior Cybersecurity Consultant and a student of Computer Science at the Silesian University of Technology. After hours I also create a new website for the PolSI Racing Science Club. I started working in the IT industry in my first year of studies to gain experience. I am looking for permanent and stable employment. An important value for me is mutual respect. I also appreciate good work organization and development opportunities.

## EXPERIENCE

### Junior Cybersecurity Consultant

EY GDS Poland  
01.2023 - present

Working with external clients. Adjusting cybersecurity and cloud (mainly Azure) solutions to the needs of a given client. Experience in using Azure Portal, Octoplist, Microsoft Windows and Microsoft Office.

### Web developer

PolSI Racing Science Club  
03.2023 - present

Building a new website for the science club in Wordpress. Adding self-written CSS and JS code to the site. Preparing the design prototype in Figma.

## EDUCATION

### Computer Science

Silesian University of Technology (10.2022 - present)

## CERTIFICATES

### Azure Fundamentals (AZ-900)

Microsoft (08.2023)

### English Certificate C2 Proficient

EF Set (08.2023)

## HOBBY

My main passion is programming. I love reading biographies and books about personal development. I spend my free time on learning, sports and computer games. I am also a technological geek - I am not indifferent to new electronic devices especially those from Apple and smart home solutions.
